

American Idol, Proud To Be American

Intro

1. Proud to be American are we!
Proud to live in a land of liberty.
We stand up proud and tall
And shout one and all:
American's a name we're proudly called!

2. Proud to be American are we!
Proud to live in a nation of the free.
We feel it deep inside
And shout it far and wide.
American's a name we wear with pride,
American's a name we wear with pride!
