

# American Minor, Shine

Well, that weight is heavy, you'll carry it to your dead  
'Til you can't feel your fingers, 'til you can't fill your head  
'Til you can't make decisions to save your own life  
'Til you're spending your days under the point of the knife, yeah  
We all need someone to use  
Babe, we got to refuse  
To be left behind  
Baby, shine your light down on me  
Give me something to believe  
Oh, come on and baby, shine it, shine it, shine it  
Won't you shine your light down on me?  
I ain't got nothing you see  
Oh, come on and baby, shine it, shine it, shine it  
The days leave you weary, left out in the cold  
'Til you're begging for so long you've got to do what you're told  
Till you see premonitions of what your life could have been  
Until you're like a leaf falling and blowing out in the wind, yeah  
We all need someone to use  
Babe we got to refuse  
To be left behind  
Baby, shine your light down on me  
Give me something to believe  
Oh, come on and baby, shine it, shine it  
Won't you shine your light down on me?  
I ain't got nothing you see  
Oh, come on and baby, shine it  
Well, you'll see me out at the bars, tonight  
Ah-ah-ah-ah, ah-ah-ah-ah  
Just waiting for someone to make it right  
Ah-ah-ah-ah, ah-ah-ah-ah  
Won't you shine your light down on me?  
Give me something to believe  
Oh, come on and baby, shine it  
Shine your light down on me  
I ain't got nothing you see  
Come on and baby, shine it, shine it, shine it  
Baby, shine your light down on me  
Give me something to believe  
Oh, come on and baby, shine it, baby, shine it, baby, shine it  
Won't you shine your light down on me?
