Amerie, You're A Star (Interlude)

Your Make Me feel real good And it's too good to be true Cause I can't seem to get enough I do anything just to have your love I can't get away from you Ooh Ooh Ooh Oh nooowo Oh nooowo You make me feel real good You should be here with me You make me feel so good This is where you need to be You must be the endless thing around Yes you are you are Heaven lost a star when you came down The star yes you are You're a star You should be here with me You should be here [** Thanks to "T.
