

Aminata, Love Injected

[Verse 1]

You bring the light
To my darkest side, babe
The day, the night
Split to cure the sight, oh

[Pre-Chorus 1]

You care
You animate
You got me bare
Bring up the heart rate

[Chorus]

Your love
Revives my soul
And I know
You'll choose it whole
Overall

[Verse 2]

Your eyes are the mirror
Look under the cover
Love is above all

[Pre-Chorus 2]

I'm safe
Into your hands
Let's move away
The edges expand

[Chorus]

Your love
Revives my soul
And I know
You'll choose it whole
Overall

[Bridge]

Show me the source of the light
I'm becoming affected
Seeing the glow of the way
Is what I have detected
Feeling again I'm alive
It's a shiny reflected
Love injected, love injected

[Chorus]

Your love
Revives my soul
And I know
You'll choose it whole
Overall

Your love

Revives my soul
And I know
You'll choose it whole
Overall

[Outro]

Ohhh, ohhh, ohhh, ohhh
Ohhh, ohhh, ohh, oh oh, ohhh
Ohhh, ohhh, ohhh, ohhh
Ohhh, ohhh, ohh, oh oh, ohhhh
