## Amos Tori, Crazy

Amos Tori
Scarlet's Walk
Crazy
Not sayin'
not charmed at all
Not sayin'
that you weren't worth
the fall
And I was alone when
I knew it was real
Down the canyon
when I knew I had come

To the line
Through the dawn
To the light
To the turn
When you said

You could drive all night Drive all night

So I let Crazy take a spin Then I let Crazy settle in Kicked off my shoes Shut reason out He said "first let's just unzip your religion down"

Found that I
I craved at all
Saw me melt
into your
native shelter
Where you carved my
name
Paper tigers scare
and came

Alive Through the dawn To the light To the turn When you said

You could drive all night all night
Drive all night

So I let Crazy
take a spin
Then I let Crazy
settle in
Kicked off my shoes
Shut reason out
He said "first let's just
unzip your religion
down"
So I let Crazy
pull me in

Then I let Crazy
take his spin
Kicked off my shoes
Shut reason out
He said "first let's just unzip
your religion down"
Heard that you were once
"Temptation's girl"

And as soon as you have rearranged the mess in your head He will show up looking sane perfectly sane If I know Crazy
