Amos Tori, Girl

Amos Tori Little Earthquakes Girl From in the shadow she calls And in the shadow she finds a way finds a way And in the shadow she CRAWLS Clutching her faded photograph my image UNDER her thumb Yes with a message for my heart Yes with a message for my heart

She's been everybody else's girl maybe one day she'll be her own Everybody else's girl maybe one day she'll be her own

And in the doorway they stay And laugh as violins fill with water Screams from the BLUEBELLS can't make them go away We'll I'm not seventeen but I've cuts on my knees Falling down as the winter takes one more CHERRY TREE

She's been everybody else's girl maybe one day she'll be her own Everybody else's girl maybe one day she'll be her own

Everyone else's girl maybe one day she'll be her own rushin' rivers thread so thin limitation Everyone else's girl maybe one day she'll be her own dreams with the flying pigs turbid blue and the drugstores too safe in their coats anda in their do's yeah Everyone else's girl maybe one day maybe one day one day one day she'll be her own smother in our hearts a pillow to my dots

And in the mist there she rides And castles are burning in my heart And as I twist I hold tight And I ride to work every morning wondering why "Sit in the chair and be good now" and become all that they told you the white coats enter her room and I'm callin' my baby callin' my baby callin' my baby callin' Everybody else's girl maybe one day she'll be her own Everybody else's girl maybe one day she'll be her own Everybody else's girl maybe one day she'll be her own
