

# Amos Tori, Purple People

Amos Tori  
To Venus And Back  
Purple People  
Well hey do you do Judo  
when they surround you  
A little mental yoga  
will they disappear

It's grim but never dubious as motives go  
One thing she'll always promises  
promises is a show  
Thunder wishes it could be the Snow  
Wishes it could be as loved as she can be  
These gifts are here  
for her  
for you  
for me

I watch me be this other thing and never know  
if I'm marooned or where the purple people go  
then lily white matricide  
from vicious words  
it doesn't leave a scratch  
so therefore no one's hurt

Thunder wishes it could be the Snow  
Wishes it could be as loved as she can be  
These gifts are here  
for her  
for you  
for me

And don't you know  
The nurses make it clear  
Just when you've escape  
you have yourself to fear  
a restaurant that never has to close  
Breakfast, every hour  
it could save the world

so hey do you do Judo in your finery  
an angel's face is tricky to wear constantly

Thunder wishes it could be the Snow  
Wishes it could be as loved as she can be  
These gifts are here  
for her  
for you  
for me  
For her  
for her
