Smells Like Teen Spirit
Lyrics by Kurt Cobain

Load up on guns
bring your friends
it's fun to lose and to pretend
she's overbored and self-assured
oh no, I know a dirty word
hello, hello, hello, hello
hello hello
I'm worst at what I do best
and for this gift I feel blessed
our little group has always been
and always will be until the end
hello, hello, hello, hello
hello hello
with the lights out it's less dangerous
here we are now, entertain us
I feel stupid and contagious
here we are now, entertain us
yes
hello
hello, hello
with the lights out it's less dangerous
here we are now, entertain us
I feel stupid and contagious
here we are now, entertain us
yes, a mulatto
an albino
a mosquito
my libido
a denial
a denial
a denial
a denial
yes
a denial
