

# Amy Grant & Vince Gill, House Of Love (LP Versi

Well, I bet you any amount of money  
He'll be coming back to you  
Ooh, I know there ain't no doubt about it  
Sometimes life is funny  
You think you're in your darkest hour  
When the lights are coming on in the house of love  
Ooh, house of love  
You've been up all night, thinking it was over  
He's been out of sight, at least for the moment  
But when something this strong, ooh, gets a hold on you  
The odds are ninety-nine to one, it's got a hold on him too  
Well, I bet you any amount of money  
He'll be coming back to you  
Ooh, I know there ain't no doubt about it  
Sometimes life is funny  
You think you're in your darkest hour  
When the lights are coming on in the house of love  
When the lights are coming on in the house of love  
Now when the house is dark and you're all alone inside  
You've gotta listen to your heart and put away your foolish pride  
Though the storm is breaking and thunder shakes the walls  
Love with a firm foundation ain't never, never, never gonna fall  
Well, I bet you any amount of money  
He'll be coming back to you  
Ooh, I know there ain't no doubt about it  
Sometimes life is funny  
You think you're in your darkest hour  
When the lights are coming on in the house of love  
Though the storm is breaking and thunder shakes the walls  
Love with a firm foundation ain't never, never, never gonna fall  
Well, I bet you any amount of money  
He'll come back to you  
Ooh, I know there ain't no doubt about it  
Sometimes life is funny  
You think you're in your darkest hour  
When the lights are coming, lights are coming on  
Well, I bet you any amount of money, baby  
He'll be coming back to you, back to you, back to you  
Ooh, I know there ain't no doubt about it  
Sometimes life is funny  
You think you're in your darkest hour  
When the lights are coming on in the house of love, ooh, yeah  
Ooh, I know there ain't no doubt about it  
Sometimes life is funny  
You think you're in your darkest hour  
When the lights are coming on in the house of love
