

Amy Winehouse, Tears Dry On Their Own

All I can ever be to you is a darkness that we knew
And this regret I got accustomed to
Once it was so right
When we were at our height
Waiting for you in the hotel at night

I knew I hadn't met my match
But every moment we could snatch
I don't know why I got so attached

It's my responsibility
You don't owe nothing to me
But to walk away I have no capacity

He walks away the sun goes down
He takes the day but I'm grown
And in your way
In this blue shade
My tears dry on their own

I don't understand
Why do I stress a man
When there's so many bigger things at hand

We could've never had it all
We had to hit a wall
So this is inevitable withdrawal

Even if I stop wanting you
And perspective pushes true
I'll be some next man's other woman soon

I cannot play myself again
Should just be my own best friend
Not fuck myself in the head with stupid men

He walks away the sun goes down
He takes the day but I'm grown
And in your way
In this blue shade
My tears dry on their own

So we are history
Your shadow covers me
The sky above ablaze

He walks away the sun goes down
He takes the day but I'm grown
And in your way
In this blue shade
My tears dry on their own

I wish I could say no regrets
And no emotional debt
'Cause as we kiss goodbye the sun sets

So we are history
A shadow covers me
The sky above ablaze
That only lovers see

He walks away the sun goes down
He takes the day but I'm grown
And in your way

My blue shade
My tears dry on their own

He walks away the sun goes down
He takes the day but I am grown
And in your way
My deep shade
My tears dry on their own

He walks away the sun goes down
He takes the day but I am grown
And in your way
My deep shade
My tears dry
