

Ana Johnsson, What is the girl to do

Come on, I feel it, its in the air, when we were round each other,
Come closer release it, its only fear.

'Cause we weve done this for too long.

What is a girl to do, to get through to you. How does a girl make you understand that we can make

Go on I need it, move closer now, lets melting to each other. Let go, dont fear it, open your eyes. A

What is a girl to do, to get through to you. How does a girl make you understand that we can make

What is a girl to do, to get through to you. How does a girl make you understand its a once in a lifet

Lets take this one step further. And stop wasting precious time. And be reap the guts together. Are
