Annelise:

All my life i've always wanted  
to have one day just for me  
nothing to do and for once no where  
i need to be  
With no lessons, lords or lunches  
or to duelist in the way  
no one to say when to eat or read or leave  
or stay  
that would be the day

Erika:

all my life i've always wanted  
to have one day for myself  
not picking up with a pile of work on every shelf  
with no hands in need of pressing  
and no sleezing disobay  
no wedding gown with a thousand stitches  
to proche'  
and no dept to pay
