

# Anastasia Prikhodko, Mamo

Out of the shadows once again, my enemy, my love  
Destiny cant be avoided, no matter how much youre prepared  
But before you left, with golden ring  
you proposed to me and didnt save me from sorcery  
and didnt let my soul be free  
Mum, youve been telling me not to desire  
Mum, at that time I didnt know where trouble lied  
Mum, youve been telling me that time is like water  
Mum, Mum, Mum, love is trouble  
I will throw away my dream and smash it on the floor  
How youve broken my destiny and set it aside  
I will pour girls tears like rain  
Mum, youve been telling me not to desire  
Mum, at that time I didnt know where trouble lied  
Mum, youve been telling me that time is like water  
Mum, Mum, Mum, love is trouble  
Mum, youve been telling me not to desire  
Mum, at that time I didnt know where trouble lied  
Mum, youve been telling me that time is like water  
Mum, Mum, Mum, love is trouble  
Mum, at that time I didnt know where trouble lied  
Mum, youve been telling me that time is like water  
Mum, Mum, Mum, love is trouble
