

# Anathema, Flying

Started a search to no avail  
a light that shines behind the veil  
trying to find it  
and all around us everywhere  
is all that we could ever share  
if only we could see it  
feel there's truth that's beyond me  
life ever changing weaving destiny

and it feels like i'm flying above you  
dream that i'm dying to find the truth  
seems that your trying to bring me down  
back down to earth back down to earth

layers of dust and yesterdays  
shadows fading in the haze  
of what I couldn't say  
and though I said my hands were tied  
times have changed and now I find  
I'm free for the first time  
feel so close to everything now  
strange how life makes sense in time now

and it feels like i'm flying above you  
dream that i'm dying to find the truth  
seems that your trying to bring me down  
back down to earth back down to earth  
back down to earth back down to earth x2
