

Anathema, The Lost Song - Part 2

In a lifetime,
there's a moment to awaken
To the sound of
your heartbeat unbroken

And you're free now
And I will remain
Still dreaming

Alive and aware
The love that I once believed in

And one day you'll feel me
A whisper upon the breeze
And I'll watch you stand there unafraid
I'll speak to you silently
And know that you hear me
The feeling is more than I've ever known

And one day you'll feel me
A whisper upon the breeze
And I'll watch you stand there unafraid
And I'll speak to you silently
And know that you hear me
Come back to me
Please believe
The feeling is more than I've ever known

I can't believe it was just an illusion
I can't believe it was just an illusion
I can't believe it was just an illusion

The feeling is more than I've ever known
And one day you'll feel me
A whisper upon the breeze
