

# Anberlin, Blame Me! Blame Me!

And we could ride all night  
To the pace of the blinking lights  
Wishing traffic was faster  
(Traffic was faster)  
Keeping safe distance,  
But courting disaster

We could dance all night  
To the sounds of a starting fight  
Hoping change would come round  
(Change would come round)  
Amazing division, how sweet the sound

Blame me! Blame me! Blame me!  
For mistakes you've made but you can't own  
Hate me! Hate me! Hate me!  
For every honest word that you've postponed  
Leave me out of this  
Your life's a sinking ship  
So blame me! Blame me! Blame me!  
For mistakes you've made but you can't own

And we could stare all day  
At problems that won't go away  
Silence is pounding  
(Silence is pounding)  
You're wearing me down,  
These corners there rounding

We could scream all night  
With no resolve still left in sight  
Stop saying you're sorry  
(Saying you're sorry)  
All of these words feel so very empty

Blame me! Blame me! Blame me!  
For mistakes you've made but you can't own  
Hate me! Hate me! Hate me!  
For every honest word that you've postponed  
Leave me out of this  
Your life's a sinking ship  
So blame me! Blame me! Blame me!  
For mistakes you've made but you can't own

Torturing ourselves  
Must be into the abuse  
If you're the rope that ties us together  
then please make me a noose  
Ask me to leave  
Then beg me just to stay  
Used to run to my arms but now I pull them away  
Come and go as you please  
I'm like a part time lover with well worn knees

Blame me! Blame me! Blame me!  
For mistakes you've made but you can't own  
Hate me! Hate me! Hate me!  
For every honest word that you've postponed  
Leave me out of this  
Your life's a sinking ship  
So blame me! Blame me! Blame me!  
For mistakes you've made but you can't own
