

# Andain, Much Too Much

Break it down to the sun  
How you've given me up  
Lay it down to the sea  
How you've give me much too much

Sing your song to the sky,  
as I'm walking you by  
There'll be time to divide,  
what's been breaking at us.

Break it down to the sun  
How you've given me up  
Lay it down to the sea  
How you've give me much too much

Break it down to the sun  
How you've given me up  
Lay it down to the sea  
How you've give me much too much

Sing your song to the sky,  
as I'm walking you by  
There'll be time to divide,  
what's been breaking at us /10x
