

# Anders Manga, Here

Inside here, Inside it's all true / Inside here, Inside I'll Find you  
Without you, Inside here it's cruel  
Without You Inside I'll get through

A Lunatic High and Dry / A Lunatic Emphasized /  
A Lunatic's Last Goodbye / A Lunatic's Rash Demise

If I hadn't lost every friend that I've had,  
I'd trade them all in for a love that would last  
If I hadn't crossed every love that was mine,  
I'd make up for all my poor actions and lies

If I hadn't broke every heart that I won  
I'd make sure all their mistrust is undone  
If I lost control, If I lost Control, If I lost Control
