

# Anderson Bruford Wakeman Howe, Teakbois

(Anderson/Howe/Wakeman/Bruford)

Jump out this next world  
Is gone overground  
That sky is ecstasy dancin'  
My child my woman  
My daughter my son  
Together planning to party  
Just wait for me  
Out in the street  
Teakbois in everywhere  
Dancing with you  
We're coming thru  
Somehow we'll all be there  
This time is surely  
Come once and for all  
We've waited so now  
We are ready  
Be quick be ready  
Be sure and be smart  
No need the energy wasted  
I've dreamed of music  
That comes from the heart  
As tho' the eagle has landed  
Just wait for me  
Out in the street  
Teakbois is everywhere  
Dancing with you  
We're coming thru  
Everyone will be there  
She smiles my mind  
Is just blown I can't stop  
No time is better than now  
I wake up everyday  
Before the sun is coming up  
Bobby Dread and the kool running  
The fish to catch  
The sea to swim  
They say I gotta life  
To live  
Bobby Dread and the kool running  
My music is my only witness  
To my very soul  
Bobby Dread and the kool running  
So when you need me  
All you have to do is help me  
Lose control  
Bobby Dread and the kool running  
They say the world's a stage  
So let me play for you and you and you  
Bobby Dread and the kool running  
It's all I ever in my life  
I really wanted  
To sing and do  
Bobby Dread and the kool running  
We form a group a simple name  
A secret harmony like  
Bobby Dread and the kool running  
We write our songs  
We symphonise  
Some people say they like us  
Bobby Dread and the kool running  
This summer you couldn't get it
