

Anderson Jon, For You

Anderson Jon
City Angels
For You

Tell me that I would sing
Soft as a song would bring
All of a union together in my life
Tell me I'm everyone
As where my heart is searching
Now is finally resting again

Oh, for the perfect sound
Jon, Jon, for my life
As it's something that I must
Explain this and all to you
Haven't you guessed it
Haven't you guessed it at all
This song is for you
This song is for you

- Solo -

Oh, for the perfect sound
Jah, Jah, for my life
As it's something that I must
Explain this and all to you
Haven't you guessed it
Haven't you guessed it at all
This song is for you
This song is for you
