

# Anderson Laurie, Let X=x

Anderson Laurie  
Big Science  
Let X=x

I met this guy - and he looked like might have  
been a hat check clerk at an ice rink.  
Which, in fact, he turned out to be. And I said:  
Oh boy. Right again.

Let X=X. You know, it could be you.  
It's a sky-blue sky. Satellites are out tonight.  
Let X=X.

You know, I could write a book. And this book would  
be think enough to stun an ox. Cause I can see the  
future and it's a place - about 70 miles east of  
here. Where it's lighter. Linger on over here.  
Got the time? Let X=X.

I got this postcard. And it read, it said:  
Dear Amigo - Dear Partner.  
Listen, uh - I just want to say thanks. So...thanks.  
Thanks for all the presents. Thanks for introducing  
me to the Chief.  
Thanks for putting on the feedbag. Thanks for going  
all out.  
Thanks for showing me your Swiss Army knife.  
and uh -  
Thanks for letting me autograph your cast.  
Hug and kisses. XXXXOOOO.  
Oh yeah, P.S.  
I - feel - feel like - I am - in a burning building - and I  
gotta go.  
Cause I - I feel - feel like - I am - in a burning  
building - and I gotta go.
