

Andrea Demirovic, Just Get Out of My Life

Everybody's sayin your love is like a prison
Everybody's tryin to help me to come free
Everybody's talkin bout all the things i'm missin
And for all them reasons i must agree
It's too dangerous when we touch
And I love you much too much
Get out of my life - babe
Just get of my out of my
Out of my head (sing: outta)
Just get out of my out of my
Out of my bed
It's beyond belief but true -
I became a slave to you
Just get out of my out of my
Out of my dreams
Just get out of my
Out of my scenes
Where I lose all of my drive -
While I'm fighting to survive
Just get out of my life -
Get out of my life
You are like a moonbeam that makes feel so lonely
You are like a mountain and I'm afraid to fall
Every time I'm certain you are my one and only
I know if you leave me I'll lose it all
Cos you're overwhelming me
You're too perfect can't you see-
Please get out of my life
Just get out of my out of my
Out of my head
Just get out of my out of my
Out of my bed
It's beyond belief but true -
I became a slave to you
Just get out of my out of my
Out of my dreams
Just get out of my
Out of my scenes
Where I lose all of my drive -
While I'm fighting to survive
Just get out of my life
Because i love you
More than you will ever know
Would be hard to let you go -
But get out of my life-
Get out of my life
It's beyond belief but true - i became a slave to you
Just get out of my out of my
Out of my dreams
Just get out of my
Out of my scenes
Where i lose all of my drive -
While i'm fighting to survive-
Just get out of my life -
Get out of my way-
Hey - or just stay !!
