

# Andrew Lloyd Webber, Freight

TRUCKS:

Freight is great  
Freight is great  
We carry weight 'cause we are freight

We never make a fuss. We got the goods on us.  
We take the loads from off the roads  
And freight is great.

COACHES:

Couldn't stand gravel and sand,  
Being ignored, no-one aboard,  
No body complaining we were late again.  
I should hate carrying freight, nobody living in me.  
Got to be a living, breathing passenger train.

TRUCKS:

Freight is great.  
Freight is great.
