

# Andrew W.K., Make Sex

I don't wanna make life  
And I don't wanna make death  
I don't wanna make love  
I just wanna (Bang Bang)

I don't wanna make life  
And I don't wanna make death  
I don't wanna make love  
I just wanna (Bang Bang)

I don't wanna make life  
And I don't wanna make death  
I don't wanna make love  
I just wanna  
Make sex

Wanna make sex, wanna make sex  
Wo oh  
Wanna make sex, wanna make sex

Wanna make sex  
Wo oh, wo oh  
Wanna make sex, make sex

Wanna make sex, wanna make sex  
Wo oh  
Wanna make sex, wanna make sex

Wanna make sex  
Wo oh, wo oh  
Wanna make sex,  
Make sex
