

# Andrews Jessica, Why'd You Have To Go And Make Me Love You

Andrews Jessica

Who I Am

Why'd You Have To Go And Make Me Love You

There's moonlight on the trees

Paintin' silver on the leaves

It's so beautiful out here

I just had to stop and stare

That's unusual for me

I had a happy heart of stone

No voice to answer but my own

Now I want more from the night

Since you waltzed into my life

You couldn't leave well enough alone

Why out of all the people in this world

Why did you set your sights and single out this girl?

Oh, why did you have to go and make me love you?

Why'd you have to go and make me

Why'd you have to go and make me love you?

In an instant sweet and strange

Everything about me changed

Whether I want to or not

I come to you with all I've got

And I'll never be the same

Why out of all the people in this world

Why did you set your sights and single out this girl?

Oh, why did you have to go and make me love you?

Why'd you have to go and make me

Why'd you have to go and make me love you?

Tell me why

Why'd you have to go and make me

Why'd you have to go and make me love you?

Maybe this is just a dream

Or maybe this was meant to be

I just pinch myself and wonder why

Why out of all the people in this world

Why did you set your sights and single out this girl?

Oh, why did you have to go and make me love you?

Why'd you have to go and make me

Why'd you have to go and make me love you?
