Androids, Bored

Well I have never been Thought of as strong And now between the state of What's right and wrong I dream myself a way where I have it all It seems my perfect world is Just through the door I search for trouble cos I'm bored I burst your bubble when I'm bored I'm holdin' on for you to Give me some time I know its bad to hope for But I'm not tryin' And in between the state of What's right and wrong I dream myself a way where I have it all I search for trouble cos I'm bored I burst your bubble when I'm bored [x2] Well I have never been what you would call strong I search for trouble cos I'm bored I burst your bubble when I'm bored [x2]
