

# Andy Grammer, Miss Me

I wake up and I'm sober don't even know you anymore  
Punch drunk on a feeling, lost in believing I was sure  
I don't care what you have to say, damn words get in the way  
I don't wanna know  
I know there'll come a time when I look you in the eyes and say: "I told you so"

And I promise you this, you're gonna miss me, miss me  
As long as you live you're gonna miss me, miss me  
Oh

Set me up for the falling, gave me no warning you were gone  
Let me down I was reeling, I can't believe what you have done  
Go do what you've gotta do, damn words will follow you  
Everywhere you go  
And I know there'll come a time when I'll look you in the eyes and say: "I told you so"

And I promise you this, you're gonna miss me, miss me  
As long as you live you're gonna miss me, miss me  
Oh

I believe in my heart when something's wrong, say it's wrong,  
I can deal with the part when something's wrong, if we both stay strong!  
I know there'll come a time when I look you in the eyes and say: "I told you so"

And I promise you this, you're gonna miss me, miss me  
As long as you live you're gonna miss me, miss me  
Oh

I wake up and I'm sober
