

Andy Russell, Goodnight, My Love

Goodnight, my love
The tired old moon is descending
Goodnight, my love
My moment with you is now ending
It was so heavenly
Holding you close to me
It will be heavenly
To hold you again in a dream
The stars above
Have promised to meet us tomorrow
Till then, my love
How dreary, the new day will seem

So for the present, dear
We'll have to part
Sleep tight, my love
Goodnight, my love
Remember that you're mine, sweetheart
So for the present, dear
We'll have to part
Sleep tight, my love
Goodnight, my love
Remember that you're mine, sweetheart
