Andy Trinkler, If I Needed You

If I needed you Would you come to me? Would you come to me And ease my pain? If you needed me I would come to you I would swim the seas For to ease your pain Well, the night's forlorn Ah, the morning's born Ah, the morning shines With the lights of love You will miss sunrise If you close your eyes And that would break My heart in two Lady's with me now Since I showed her how To lay her lily hand In mine Loop and 'lil agree She's a sight to see A treasure for The poor to find If I needed you Would you come to me? Would you come to me And ease my pain? If you needed me I would come to you I would swim the seas For to ease your pain
