Andy Williams, It's A Most Unusual Day

Words by Harold Adamson and Music by Jimmy McHugh

From the 1948 film & Date With Judy & Samp; amp; quot; Starring Wallace Beery, Jan Elizabeth Taylor, Carmen Miranda, Robert Stack, and Xavier Cugat

It's a most unusual day Feel like throwing my worries away As an old native-born Californian would say It's a most unusual day

There's a most unusual sky Not a sign of a cloud passing by And if I want to sing, throw my heart in the ring It's a most unusual day

There are people meeting people There is sunshine everywhere There are people greeting people And a feeling of Spring in the air

It's a most unusual time
I keep feeling my temperature climb
If my heart won't behave in the usual way
Well, there's only one thing to say
It's a most unusual day

There are people meeting people There is sunshine everywhere There are people greeting people And a feeling of Spring in the air

I keep feeling my temperature climb, climb,
