

# Andy Williams, Love Story

Where do I begin to tell the story  
Of how great a love can be  
The sweet love story that is older than the sea  
The simple truth about the love she brings to me

Where do I start  
With her first hello  
She gave new meaning to this empty world of mine  
They'll never be another love another time  
She came into my life and made the living fine

She fills my heart  
She fills my heart with very special things  
With angel songs  
With wild imaginings  
She fills my soul with so much love  
That any where I go I'm never lonely  
With her around who could be lonely  
I reach for her hand  
It's always there

How long does it last  
Can love be measured by the hours in a day  
I have no answers now  
But this much I can say  
I know I'll need her until the stars all burn away  
And she'll be there

How long does it last  
Can love be measured by the hours in a day  
I have no answers now  
But this much I can say  
I know I'll need her until the stars all burn away  
And she'll be there
