

Anette Olzon, Fantastic Fanatic

Where's the freedom, who decides?
The voice of reason
Where's their right?

Fantastic fanatic
How do they know it all?
Who gave them the wisdom, who made them know-it-all's?
Stop!
You're doing it wrong
The voices are strong
You have to belong
Fanatic fantastic
Who do you think you are?

Open your feed you see them smiling show a world so aware
Pretend to be all good then seated in the plane without care
Vent all they feel open their mouth feeling the right to declare
The things they hate spilled out in letters that they just have to share

Where's the freedom
Who decides?
The voice of reason
Where's their right?

Fantastic fanatic
How do they know it all?
Who gave them the wisdom, who made them know-it-all's?
Stop!
You're doing it wrong
The voices are strong
You have to belong
Fanatic fantastic
Who do you think you are?

Shame on me
I don't wanna follow you
Even if you hate on me
Stupidity's overdue
Look around
Open up your mind and find
See the other way around
Stop being so blind

The voices are strong
