

# Angel City, All In My Bed

I wonder how  
You act so fly  
When you try, so hard to try, to try, to try, to try  
I see your fly, is open wide  
Take a look inside  
Its wild like a giant sweet  
Come on  
It's all in my bed,  
It's all in my bed

Us only, you and me  
Wherever you go I will be  
Just close your eyes and you'll see  
And wherever you go I will be

in the other bed  
where the covers are cumfier  
Got our pride in drugs  
Standing tall in the bum  
Oh we're flying high  
Spinning in night time  
Living life and lbumming free  
This is where I wanna be  
Come on

It's all in my bed,  
It's all in my bed

Us only, you and me  
Wherever you go I will be  
Just close your eyes and you'll see  
And wherever you go I will be

It's all in my bed,  
It's all in my bed

Us only, you and me  
Wherever you go I will be  
Just close your eyes and you'll see  
And wherever you go I will be

come on over tonite  
(come on over tonite)  
we will make it special  
weel be high on drugs in my bed.
