

Angel, Ride Or Die (ft. Misha B)

yeah yeaah yeaah yeaah
what the hell is happening?
all she did was give it to me once
and now i back up and dagging 'em
like i had to hit the back again
turned edgy on the couch man trying to be the traffican
i can see whats happening,
see got me hope like a brother on the pipe cracks back again
I'm all upon in the flat snow oxygen,

i think i better go back to my ride or die
she's waiting at home,
i think i better go back to my ride or die
she's waiting at home,

feeling so wack again,
no i couldn't resist
