

# Angela Ammons, Take My Hand

I need a love to lift me up and  
I need time to tell me what to do and  
it's been a long ride, and I can make it through  
(chorus)

all I want and all I need  
is to be strong  
can anybody take my hand  
and let me know the way  
to face another day  
won't somebody take my hand  
and lift me off the ground  
is anyone around to take my hand

tell me where I need to go  
and tell me how long until I see the day  
when I can shed my skin  
and I can throw it all away (all away)

chorus

i've fallen deeper than i've been  
and I can feel anything  
if only I could spread my wings  
and fly (fly away)

chorus
