

# Angelic Upstarts, Machine Gun Kelly

Machine gun kelly is on the street  
Hes got a uniform, hes on the beat  
So watch out what you do  
One false move and he'll shoot you

[Chorus]  
Hes got a gun and it frightens me  
A picture you thought that you'd never see

Machine gun kelly is on the street  
Hes got a uniform, hes on the beat  
You dont have to be robbing a bank  
Walking the streets your takin the chance

[Chorus]  
Run run run..Run away!
