## Angelic Upstarts, Machine Gun Kelly

Machine gun kelly is on the street Hes got a uniform, hes on the beat So watch out what you do One false move and he'll shoot you

[Chorus] Hes got a gun and it frightens me A picture you thought that you'd never see

Machine gun kelly is on the street Hes got a uniform, hes on the beat You dont have to be robbing a bank Walking the streets your takin the chance

[Chorus]

Run run run..Run away!
