

# Angelina, Without Your Love

\*Chorus\*

I dont want to be without your love  
Cuz your the only one I'm thinking of baby  
I'm afraid to live without your love  
So baby dont you go away (2x)

These feelings I have inside my soul  
Theres no words that can describe  
The way that you hold me  
The way that you need me  
The way that you make me feel when I'm with you

In the heat of the night I call your name  
And you set me on fire like a burning flame  
From the moment you touched me my heart beat fast  
And my passion wants to take control

Chorus(2x)

As the sun goes down, and I close my eyes  
All my dreams they are of you  
They're filled with emotions and visions that keep me,  
Keep me reminded of the life we share  
When I'm alone I imagine how it would be  
If there where never a you to care for me  
No one else could make me feel this way  
So I'm never gonna let you go

Chorus(2x)
