

# Angie Martinez Feat Lil' Mo, If I Can Go

Yeah!  
Oh yeah, yeah  
Yeah!  
Uh, woo! Come on, uh  
If I can go, with you  
Yo, yo, uh  
If I can chose a place to go it gotta be far away  
From here we could crossover like hard away  
Somewhere outside the states where tomorrow's like today  
And I'm out in a space where nobody else can stay  
And, if I can go, with you  
Then I'll go get the ticket right now if that's cool  
Have you ever been close to feelin' like leavin' the coast too  
Feelin' like leavin' with somebody who  
Hold you the right way while watchin' the night fade  
Make you feel like you right back in the ninth grade  
When you know what he likes and what he might say  
And you try to be calm and answer in nice ways  
And, if I can go with you  
Way out the states no 2-ways and no page  
No cells and no trace and you just a phone call away  
So all I got to say is  
If I can go, contigo, I'll pack my things, soon as you say  
Baby vamos, we'll fly away, like there is no, no tomorrow  
If can go, contigo, I'll tell my friends, nothing at all  
I'll get my things, soon as you say, baby vamos, we'll fly away  
And, if I can go, with you  
Oh boy we 'bout to make a lot of people annoyed  
In Croix, you better know I know how to sneak with them toys  
Employed, with the block since around 94 boy  
And, if I can flow, with you  
Holdin' dat dough after the studio I roll with you  
I send Dutch and three other goons to go get you  
Sacario the name awaits the whole issue  
Grown men keep on cryin' get mo' tissue  
The way me and this girl be rhymin' it's so official  
Them I'm takin' a trip too with no pistols  
'Cause everything peace only sand no streets  
Little Miami Heat, that's the plan we'll see  
Two cups, one in Senado one in Sand Beach  
And, I'll think I'll go, with you  
So tell the station you need a week, back to you  
If I can go, contigo, I'll pack my things, soon as you say  
Baby vamos, we'll fly away, like there is no, no tomorrow  
If can go, contigo, I'll tell my friends, nothing at all  
I'll get my things, soon as you say, baby vamos, we'll fly away  
You can fly away, no one has to know  
Babe take me with you 'cause if I can go  
Soon as you say the word, we'll be on our way  
To a foreign place, you got to tell me  
Yo, uh, so now that we got a plan are you comin'?  
We could plan a week  
The only question now is LaGuardia or Kennedy?  
And a seat, know why? the window 'cause I like to see  
And seein' as to how I'm so fly me and the clouds can speak  
And, since we 'bout to go, in a few  
Go 'head  
Oh, I just wanted to tell Trace thank you  
That week off I'm grateful what was you tryin' to say boo?  
Nuttin' just grab my chain off the table and 2 way too  
Okay, that little place it's a great move  
But ain't no problems, unless the water don't stay blue  
And the shop's there?  
If they don't got 'em, they don't make 'em

(True!)

No concrete just sand, throw away your shoes

Now, that we are on, our way

And our bags is packed and the car service is not late

Everything's okay, so I guess I catch you on the next track

Now I don't gotta ask

If I can go, contigo, I'll pack my things, soon as you say

Baby vamos, we'll fly away, like there is no, no tomorrow

If I can go, contigo, I'll tell my friends, nothing at all

I'll get my things, soon as you say, baby vamos, we'll fly away

If I can go, contigo, I'll pack my things, soon as you say

Baby vamos, we'll fly way, like there is no, no tomorrow

And if I can go, contigo, I'll tell my friends, nothing at all

Nothing at all, I'll tell my friends, nothing at all
