Angie Martinez Feat Lil' Mo, If I Can Go

Yeah!
Oh yeah, yeah
Yeah!
Uh, woo! Come on, uh
If I can go, with you
Yo, yo, uh

If I can chose a place to go it gotta be far away From here we could crossover like hard away

Somewhere outside the states where tomorrow's like today

And I'm out in a space where nobody else can stay

And, if I can go, with you

Then I'll go get the ticket right now if that's cool

Have you ever been close to feelin' like leavin' the coast too

Feelin' like leavin' with somebody who

Hold you the right way while watchin' the night fade Make you feel like you right back in the ninth grade

When you know what he likes and what he might say

And you try to be calm and answer in nice ways

And, if I can go with you

Way out the states no 2-ways and no page

No cells and no trace and you just a phone call away

So all I got to say is

If I can go, contigo, I'll pack my things, soon as you say Baby vamos, we'll fly away, like there is no, no tomorrow If can go, contigo, I'll tell my friends, nothing at all

I'll get my things, soon as you say, baby vamos, we'll fly away

And, if I can go, with you

Oh boy we 'bout to make a lot of people annoyed

In Croix, you better know I know how to sneak with them toys

Employed, with the block since around 94 boy

And, if I can flow, with you

Holdin' dat dough after the studio I roll with you

I send Dutch and three other goons to go get you

Sacario the name awaits the whole issue Grown men keep on cryin' get mo' tissue

The way me and this girl be rhymin' it's so official

Them I'm takin' a trip too with no pistols

'Cause everything peace only sand no streets

Little Miami Heat, that's the plan we'll see

Two cups, one in Senado one in Sand Beach

And, I'll think I'll go, with you

So tell the station you need a week, back to you

If I can go, contigo, I'll pack my things, soon as you say

Baby vamos, we'll fly away, like there is no, no tomorrow

If can go, contigo, I'll tell my friends, nothing at all

I'll get my things, soon as you say, baby vamos, we'll fly away

You can fly away, no one has to know

Babe take me with you 'cause if I can go

Soon as you say the word, we'll be on our way

To a foreign place, you got to tell me

Yo, uh, so now that we got a plan are you comin'?

We could plan a week

The only question now is LaGuardia or Kennedy?

And a seat, know why? the window 'cause I like to see

And seein' as to how I'm so fly me and the clouds can speak

And, since we 'bout to go, in a few

Go 'head

Oh, I just wanted to tell Trace thank you

That week off I'm grateful what was you tryin' to say boo?

Nuttin' just grab my chain off the table and 2 way too

Okay, that little place it's a great move

But ain't no problems, unless the water don't stay blue

And the shop's there?

If they don't got 'em, they don't make 'em

(True!)
No concrete just sand, throw away your shoes
Now, that we are on, our way
And our bags is packed and the car service is not late
Everything's okay, so I guess I catch you on the next track
Now I don't gotta ask
If I can go, contigo, I'll pack my things, soon as you say
Baby vamos, we'll fly away, like there is no, no tomorrow
If I can go, contigo, I'll tell my friends, nothing at all
I'll get my things, soon as you say, baby vamos, we'll fly away
If I can go, contigo, I'll pack my things, soon as you say
Baby vamos, we'll fly way, like there is no, no tomorrow
And if I can go, contigo, I'll tell my friends, nothing at all
Nothing at all, I'll tell my friends, nothing at all
