

# Angie Stone, Man Loves His Money

[1] - I want you like a man loves his money  
I want you like a man loves his money

What is it about you  
Makes me do the things I do

Workin' all day just to please you  
Got to have you, to keep you  
Time after time after time I wonder why  
Havin' too much makes me wanna give it up  
Cuz you tempt me, please don't break me

[Repeat 1]  
[Repeat 1]

Gotta get that cash, gotta get it fast  
Hold up, wait a minute  
I really love man

Time after time after time I wonder why  
Not havin' enough makes me have to skig it up  
Don't test me, they'll arrest me

[Repeat 1]
