## Angra, Heroes Of Sand (Acoustic Version)

Angra Miscellaneous Heroes Of Sand (Acoustic Version)

[Music: Edu Falaschi / Lyrics: Rafael Bittencourt]

Sealing light Nothing to see Like a miracle life Starts with the pain Forever this will be Close my eyes Thunders won't cease Crawling down to the edge I break down and weep Tears on the river deep Oh! Back to the sea Shout loud Moving ahead Ride the horses of justice Virtues of men, yawns! Down and out Losing my head

Like a dream you're returning Back from the dead - Awake! Shadows will fade some day
