

# Ania Kłys, WE FEEL TOO LITTLE

?We think too much and feel too little.  
More than machinery, we need humanity  
Mmore than cleverness, we need kindness and gentleness.  
Without these qualities, life will be violent and all will be lost.?

Should I go or should I stay?  
What ringing in my head?  
Is it good what I?m intend  
Just ?coz must people says  
Say: don?t give another chance  
Instead make sweet revenge  
I have doubt  
Is that ok.?  
But still is exit way

Replacing people who believe in you  
With different people you don?t care  
Did you expect me to forgive you?  
Forgetting whose I want to blame  
Would you be able to believe me  
I () chase to you  
For many reason I should leave you  
Forgetting moments you don?t care
