

# Ania Kłys, Wise Man

Wise Man said  
Strangest thing can happen  
When you look away  
Get it gone  
Life Is Too Short To Be Scared  
Life Is Too Short To Be Scared

Dreaming on a rainbow  
Standing on a burning ground  
Dreaming on a rainbow  
Standing on a burning ground

I'm far from my comfort zone  
All my shadows gone  
Day by day  
Day by day  
I know how to be a human

Choke on day  
Orange sunset run away in the blue  
Don't think twice  
Let's go of hope  
Let's go of hope

Dreaming on a rainbow  
Standing on a burning ground  
Dreaming on a rainbow  
Standing on a burning ground

I'm far from my comfort zone  
All my shadows gone  
Day by day  
Day by day  
I know how to be a human

Day by day  
Day by day  
Day by day  
Day by day  
Day by day  
Day by day  
Day by day

I'm far from my comfort zone  
All my shadows gone  
Day by day  
Day by day  
I know how to be a human
