

Animal X, In your eyes

Imi este dor...atat de dor
Sa-ti fur sarutul
Imi este dor...atat de dor
Ca as da totul
Zi de zi sper sa primesc un semn
Si sa imi spui "hai sa fugim"
Nu exista munte prea inalt
Sau vreo stea de neatins
That's what I see
That's what I see
In your eyes
I think so deep
My think so deep
In your eyes (x4)
In your eyes (x4)
In your eyes (x4)
In your eyes (x4)
Every single night
I love to see you
Every single night
I'm dreaming of you
Every day I hope to find a way
To get you back in my arms
Please tell me that you feel the same
Is it love? or let me go...
That's what I see
That's what I see
In your eyes
I think so deep
My think so deep
In your eyes (x4)
In your eyes (x4)
In your eyes (x4)
In your eyes (x4)
Ochi caprui fura inima oricui
Te gandesti si n-ai sa spui
Ochii verzi niciodata sa nu-i crezi
Nu-ncerca s-astepti sa vezi
Ochi albastri poarta gandul pan` la astri
Ce e dupa n-ai sa aflii
Ochii nergii se ascund in perna serii
Prada cazi incet...imi place
That's what I see
That's what I see
In your eyes
I think so deep
My think so deep
In your eyes (x4)
In your eyes (x4)
In your eyes (x4)
In your eyes (x4)
