

# Anitta, Turn It Up

Feel me up  
Every night with the joy and love  
Kiss me like the sun is up  
Everyday is beautiful, beautiful  
Solo a ti  
Solamente te quiero a ti  
Eso solo me pasa a mi  
.. and you with me, yeah, yeah

We don't need forever, baby, I know that nothing's here to stay  
Yeah, yeah, oh  
But right now we should take all we got and turn it up all the way  
Yeah, yeah, oh

T-T-T-Turn it up  
Ta-ta-ta, t-turn it up  
Fuck that shit, just turn it up  
Ta-ta-ta, t-turn it up  
Leave that shit, just turn it up  
Ta-ta-ta, t-t-turn, turn it up all the way

Que le vamo hacer? Pa' ganar a veces hay que perder, perder  
No se puede volar, sin saber que también tiene que caer, caer  
Sale el sol, poquita ropa porque hace calor  
Suena la musica, mucho mejor  
Prueba mi boca y te gusta el sabor, mucho mejor  
Sale el sol, poquita ropa porque hace calor

Prueba mi boca y te gusta el sabor
