

Ann Beretta, My Style

Left my baby standing, Left her all alone, Left her standing in the middle of the night
Right down by the liquor store

And that's alright

Maybe it's just my style, Left her standing in the middle of the night, Whoa! That's what
I like.

My baby left me standing

She left me all alone

Left me standing in the middle of the night

Right down by the liquor store,

Well that's alright,

Maybe it's just my style, Left me standing in the middle of the night, By the... Whoa!

That's what I like.

Left my baby standing,

Left her all alone,

Left her standing in the middle of the night,

Right down by the liquor store, And that's alright, Maybe it's just my style, Left her standing in the m
