

Ann Marie, Therapy

Build your legacy

Baby, I just want some head in the mornin' (In the mornin')
Sex overseas in the sand so it never get borin' (Borin')
Show me I'm important (Important)
I need a nigga that don't even see another bitch 'cause he know his bitch foreign (Foreign)
Fendi and Dior me
Baby, just assure me you adore me (Adore me)
Boy, let me know right now if you ain't for me
'Cause I done had enough stress, baby (Enough stress, baby)
Can you show me where the love at, baby?

Can you be my peace, be my stress relief?
Can you be my vibe, be my person, be the one for me?
Can you be my slide? Can you be my therapy?
Tell me, can I roll over and vent to you?
I'll tell you all the shit that I've been goin' through
Baby, be my peace, be my stress relief
Can you be my vibe, be my person, be the one for me?
Can you be my slide? Can you be my therapy?
Tell me, can I roll over and vent to you? (Vent to you, you, you)

Baby, can you be mine? (Baby, can you be mine?)
Sun when it don't shine (Yeah)
Baby, can you be my blowin' off stress? Can you be my high?
[?] had a long day
Can you be my escape when too much shit is on my plate?

Can you be my peace, be my stress relief?
Can you be my vibe, be my person, be the one for me?
Can you be my slide? Can you be my therapy?
Tell me, can I roll over and vent to you?
I'll tell you all the shit that I've been goin' through
Baby, be my peace, be my stress relief
Can you be my vibe, be my person, be the one for me?
Can you be my slide? Can you be my therapy?
Tell me, can I roll over and vent to you? (Vent to you, you, you)
Yeah

Baby, can you be mine?
