

Anna Calvi, Eliza

I'm lonely, ... for good
Peaceful is streaming, she stood
To see her
To be her
To change
Is if like kiss form the ?
So hold me
Above me
I know I could be?
Eliza
Eliza
Eliza
Eliza

My sister, my pistol, ?
If you could know what I know
I falling, no warning
Tomorrow, tomorrow is too late
So hold me
Above me
I know I could be?
Eliza
Eliza
Eliza
Eliza

...
