

Anna Calvi, Ghost Rider

Ghost Rider motorcycle hero
Baby baby he's a lookin' so cute
Ridin' around in a blue jump suit

Ghost Rider motorcycle hero
Baby, baby, baby he's a blazin' away
Like the stars, stars, stars in the universe

Ghost Rider motorcycle hero
Baby, baby, baby he's screamin' the truth
America, America's killin' its youth

Hey baby he's screamin' away
America's killin' its youth
